

Chess – It's More Than Just a Game

A Presentation to the Seattle Chess Club on

July 25, 2018

By Jim Egerton, MBA

Speaker, Best-Selling Author, Teacher, & Chess Coach

Chess has been played for centuries all over the world. It's a board game that fascinates everyone who has ever played it. This professional development presentation is for anyone interested in building career-enhancing skills that they practice on the chessboard while in school, in business, or in athletic competition.

What You Will Learn in this Session:

- *Teachers: The benefits of chess in the classroom*
- *Parents: Why you want your children to play chess*
- *Students: How chess gets you ahead in school*
- *Business: How playing chess is like running a business*
- *Athletes: How chess develops the mental side of your game*
- *Practice leadership, strategic thinking, decision-making, visualization & risk management*

Entry Fee:

\$45 – Presentation & Simul only.

\$60 – Presentation & Simul + autographed copy of Business on the Board.

A limited quantity of books will be available for purchase at site for full price of \$20.

Jim Egerton is the CEO and founder of Business on the Board®. He taught math for 4 years, was in corporate America for 24 years and has been an entrepreneur for 14 years. He's played tournament chess for 42 years, while training and coaching championship teams.

Business on the Board® is leading the way to better thinking, better decisions and better results. We are a talent development company that uses a game-based approach to teach business strategies and tactics to companies that want to be at the top of their game. By using keynote speaking, workshops and our #1 Best Selling business management self-development book, we teach leaders to play chess like they are running a business. An approach the competition isn't even thinking about.
