

Hendricks Chess and Sports Camps Summer 2008

A 5 day chess camp combined with a sports camp, challenging both mind and body! Runs Mon-Fri from 9:00am to 4:00pm. Sports activities include soccer, baseball, volleyball, basketball, tennis, badminton, ultimate frisbee, relay races, billiards, ping-pong, and golf, and include instruction as well as competitive play time. Chess instruction assumes players have completed at least one year of chess club, played in prior chess tournaments, and know chess notation. *Class sizes are small and intimate - limited to a max of 12 for lots of individual attention.* New chess content – different openings, tactics, not a repeat from last year.

Run by coach David Hendricks – full time chess coach of 7 schools including a national and state championship team, and Scholastic Director for the Washington Chess Federation, but he is also an avid sports player and was an athletic director organizing and refereeing basketball, volleyball, softball, and tennis leagues for youth and adults. I will recruit a youth helper to assist with the camp – some parent volunteer help may also be needed – let me know when you can volunteer.

Location: Hendricks house: 2439 220th Place NE, Sammamish WA 98074. Sports activities will be at the Heritage Hills neighborhood park, within walking distance.

Dates: 2 camps – pick the grade and date that fits your schedule for students entering
 Camp 1: 4th-9th grades, Jul 14th – Jul 18th
 Camp 2: 1st-3rd grades, Jul 28rd – Aug 1st

Any food restrictions, cat allergies (I have 2 cats), or medical conditions?

In the unlikely case of a sports injury, the coach will attempt to contact you at the phones above. I agree to allow Coach David Hendricks to arrange emergency medical attention if needed. I understand that there is no refund after camp begins. If a minimum of 8 students are not registered, camp will be cancelled and your funds will be returned.
