## Library Report

At the last board meeting the board appointed a committee to organize the library. Librarian Gary Dorfner is the Chairman. Mike MacGregor, with the help of the committee has been going through the books and deciding which ones to sell and which ones to keep. Mike and his wife are now busy cataloging the books on Excel. Once this is done, the books will be put back in the library.

A check out system will then be set up so that members can check out books. The books that will be sold will then be put into 3 groups – a \$5.00 group, a \$3.00 group and a \$2.00 group. The committee will do the same thing with the videos, DVDs and CDs in the library. Members will be able to check them out as well.
