## RUSSELL'S CHESS CHATS

Grandmaster David Bronstein said of the world challenger Boris Spassky "In the last few years Spassky has grown into a substantial personality in the chess world. His great erudition, scope of views, and splendid skill in all phases of the game enable him to produce masterpieces. He has inherited Steinitz depth of strategic scheming and fearlessness in all circumstances, Rubinstein's subtle skill in the endgame, Capablanca's ease and clarity in building up attacking positions, and Smyslov's exceptionally high standards of exploiting the slightest advantage."

Spassky will play a 24 game match with Tigran Petrosian in May to decide the World Championship. Spassky will also play in the Hastings Christmas Congress in England along with Y. Vasyukov (13th in recent USSR Champ) Gligoric (Yugo), Uhlmann (E.Ger), Gheorghiu (Roumania), Pflieger (W.Ger), Nicolai (W.Ger) Lee (British Champion), N. Littlewood and Hartson both of England.

Kavalek (Czek) won a Bulgarian tournament with 11, Kolarov (Bul)  $9\frac{1}{2}$ , Bobotsov, Lensyel and Matulovic 9.

Gligoric, Suetin and Taimanov all scored 11 points to take the International Tourney in Copenhagen, Larsen  $10\frac{1}{2}$ , Hort (Czeck) 10, and Duckstein (Austria) 9 etc.

Larsen & Geller will play a match to determine 3rd and 4th places in the candidates event in Feb or March 1966.

Only slight changes were made in the next cycle of the World Championship after much debate at the last FIDE congress held in late September in Wiesbaden. Zonal tourneys in 1966, Interzonal 1967, Candidates in 1968 and World Championship in 1969. Will Fischer take part??

New International Grandmasters, Shamkovitch and Suetin (USSR), Ciric, Janosevic and Matulovic (Yug) and Gheorghiu (Roumania) and Hort (Czek). (What's in a name now, ed.?!?)

New International Masters Whitaker (USA). Pflieger and Unzicker at 11 pts won the W. German Championship.

Forintos (Hun) won a Swiss tourney at Imperia, Italy.

Diez del Corral won the Spanish Championship with 13 from 15 points. O. Garcia 10, Medina  $9\frac{1}{2}$ . Ulvestad didn't play this year.

According to the Chess Correspondent the official publication of the CCLA, a couple of NW players won their sections of the CCLA specials, Glen Duckendock 6-0, Clark Harmon  $5\frac{1}{2}$ - $\frac{1}{2}$ . NW rated players are Duckendorf 888, Cowan 939, Hainsworth 423, Harmon 865, Miller 500, Frentice 856 and Vandenburg 1068.

James Sherwin won the 105 man Empire City Open in N.Y.  $5\frac{1}{2}$ - $\frac{1}{2}$ . At 5-1 were Roy Hoppe, Larry Kaufman, Paul Brandts, John Familjens, Morton Siegal, Mike Valvo, and Allen Baisley.

Leonard Stein won the Russian Championship just completed, with several well known ones finishing out of the money. More on this in next issue.

Hal Benko won the 122 man American Open in Santa Monica 7-1, Larry Evans, Anthony Saidy drew Benko and each other to place second, at  $6\frac{1}{2}$ - $1\frac{1}{2}$ . Along with them were R. Kirby, I. Rivise and our old friend J. Schmitt. Our old editor "Rock" Schultz has sent us a couple of games and they will be in next issue.

### LATE USA CHAMPIONSHIP RESULTS!!

Rd 6 The results of this round were as reported (see games section report) with the exception that Bisguier & Saidy drew.

Rd 7 Addison was ill and did not play D. Suttles this round. Other results are: Reshevsky - Bisguier (adj) but looks sure for Reshevsky.

Burger-Evans (adj) probable Evans win. Benko-Rossolimo (adj) Benko has advantage. Zuckerman-Byrne drawn.

Rd 8 The 8th round was the lowest quality wise of the tournament. Reshevsky tried to win a drawn endgame when both he and Saidy were in time pressure and he blew it. Suttles-Evans showed Suttles having Evans positionally busted, but instead of consolidating his position before attacking, he attacked right away. Evans coolly defended, got the better game and then Suttles blew a piece. Bisguier had a colorless draw to Burger. Bisguier has 3 draws and five losses in 8 rounds. Saidy is the coolest head in the tournament. He has nerves of steel and doesn't get discouraged by a loss. Rossolimo-Zuckerman (adj) a probable draw. Fischer-Byrne a loss for Dobby. Addison-Benko (adj) looks drawish.

Rd playoffs: (Rd 7)

Benko losses to Rossolimo

Burger losses to Evans

Bisguier losses to Reshevsky

# TOURNAMENT NORTHWEST BY BUDDY

Ladies and gentlemen, the United States Chess Federation, the Washington Chess Federation, and Tournament Northwest are overjoyed to announce that the 1966 United States Open Championship Chess Tournament will be held in SEATTLE!!!!

This is the big one. It will be a two week tournament with registration all day Sunday August 14, and play beginning Monday August 15. The final round will be held on Friday August 26.

This tournament will draw players from the entire country, and there is a good chance that there could be some players up from the international Paitagorsky Cup held immediately preceding this tournament in L. A. But the success of this tournament depends primarily on northwest support.

The local U.S. Open committee is at the moment comprised of your writer as the chairman; CLARK HARMON publicity, and STEVE CHRISTOPHER finance. At the moment we are all engaged in organizing and promoting the 1966 WASHINGTON OPEN, and so will not begin work in earnest on the US Open until late January. There is indeed much work to do between now and next summer, and we will sincerely appreciate all the help we can get.

\* \* \* \*

On the facing page is the write-up of the two one day tournaments held earlier in the month. As you can readily see they can not be considered well attended. We are arriving at the conclusion that off-hand type tournaments do not have a great deal of appeal, and perhaps they are not worth the effort of the WCF to stage. We find that the majority of tournament players feel a week-end devoted to chess should be for serious competition, and that they can find enough off-hand chess at their clubs, or with personal friends. To look back at the record of off-hand tournament attendance for the past two years; we see 1964 30/30 - (8), 1965 NW Speed - (9), 1965 30/30 - (14), and the

two tornados at (8) and (6). We feel that perhaps this type of competition might best be handled on a club level, as the support for this sort of event is not sufficiently wide-spread to warrant WCF sponsorship. On the tournament schedule below, there is already scheduled the 30/30 and Cyclone for 1966. (The Seattle Cyclone will be run in the same manner as the two tornados.) In order to give this type of competition a completely fair opportunity, these events will be conducted, and the final decision in regard to continuation will depend upon there result.

\* \* \* \*

1966 promises to be a booming year for northwest chess. Beginning with the N. W. Invitational which should be the strongest tourney on record in the northwest. This is to be followed closely by the big 1966 WASHINGTON OPEN, which although a week-end event will contain many of the features of a national chess tournament. The response to the arrangements for the open have been encouraging, and we are assured of an extremely large turn out. Then the U.S. Open next summer. Happy 1966 from TNW.

# Pullen Braley Smith wins

KENT PULLEN, JOHN BRALEY, both of Seattle, and RONALD G. SMITH, of Hoquiam tied for first in the first of the two one day tornados, held Dec. 11 and 12 at the Seattle Chess Club.

Smith lost his first round game to Z. Wester after arriving for the tournament to find only thirty minutes left on his clock to make 40 moves. Smith had registered by telephone from Tacoma.

Top ranked Braley was upset in round one by NADAV FRIEDMAN. Braley found himself

in tight time-pressure with about twenty moves yet to make with less than two minutes remaining. Playing the attack Braley managed to win a queen for a minor piece, but in the ensuing scramble also managed to leave his own queen in take.

In the final round Smith won from K. Pullen, by accepting a gambit pawn in the opening, and holding the pawn advantage to win the end game.

STEPHEN CHRISTOPHER won the tourney class "B" prize, with a  $1\frac{1}{2}$ - $2\frac{1}{2}$  record, and ZACK WESTER won the "C" award with his even 2 - 2 score.

Time control for the event was 40 in 1 1/3. An average of 30 in one is the fastest rateable by the USCF.

Tournament Director for both, Buz Eddy.

# Hickey WINS TORNADO NO. 2

PAT HICKEY, of Seattle, won the second of the one day tornados, with a  $3\frac{1}{2}$  -  $\frac{1}{2}$  record. Hickey yielded only a first rd. draw to second finishing JOHN WALKER, of Bothell.

EDDIE SONIER, of Seattle, finished in third spot with a  $2\frac{1}{2}$ - $1\frac{1}{2}$  result, losing to the tournament winner in the final round. In preparing for his final round game with Hickey, Sonier remembered that Hickey had used the wing gambit to win the woodpusher tournament, and prepared a line against it. To no avail, however, as the game went; 1. P-K4, P-QB4; 2. P-KB4. Another of Pat's

slightly off-beat, but lively lines.

There were no class "C" players in the tournament, so only the single class award for "B" was presented. GERALD STILES won this after John Walker had selected the 2nd place award.

Only Sonier, Smith, and Christopher played in both tournaments, and Sonier had the best combined total at  $4\frac{1}{2}$ - $3\frac{1}{2}$ . Smith 4 - 4, and Christopher  $1\frac{1}{2}$  -  $6\frac{1}{2}$ .

Gerald Stiles established a tournament first, (and last - B.E.), by playing 2 games at once. He found himself in what promised to be a long end game with Christopher, and still had an adjournment with Smith. All parties concerned agreed to the arrangement so Stiles proceeded to play the games simultaneously. He won both.

GOLDEN HORDE - 7 BELLINGHAM - 3. The Golden Horde won the match convincingly, posting 3½ points in both the first and second rounds. On the top four boards Bellingham only managed a single point, as WILLIAM BLACKMORE held GEORGE KAJANOFF to a first round draw, and DANNY CHIN gained a draw from ROBERT HOLZINGER in the second round. The host Bellingham team gained their two remaining points on board five, where MYRON MILLER defeated ROBERT LUNDIN in two hard fought endgames.

BOEING CHESS CLUB - 6½ SEATTLE CC - 3½.

It appeared that Seattle might be winning its first match of the season as the visiting S.C.C. posted 3½ points in the first 5 games. AL CLARK won the only game for the Boeing club in the first round, on first board against Norm Abrahamson. The second round saw an entirely different story, as the host Boeing club swept all five games to win the match.

This match demonstrates that there will have to be a modification of the board assignment rule, as both teams wound up with players assigned playing well below their strength. Both Walther and Overas were "unknown quantities" to their respective team captains, but Walther holds a rating of 1949 from 1960, and Overas is rated number 100 in the Canadian list.

TACOMA CHESS CLUB - 6 KITSAP - 4. Tacoma took an early lead in this encounter winning four of the five first round games. Only GENE SOBECZYK could score for the home Kitsap team with his first board win from ERNST RASMUSSEN. The second round saw the Kitsap club pick up three wins, but this was not quite enough as Tacoma won the encounter 6 - 4. The three perfect records for the match were turned in by D. HAUGEN, DAVE FULTON for Tacoma, and GENE SOBECZYK for Kitsap. On board four ART WICK, of the Kitsap team turned in his first victory of the season; winning his second game from JOHN PERICICH of Tacoma. DR. JOHN ALMOND boosted his season total to 3 - 1 by splitting with CARL CARLSON on board three.

WEST SEATTLE - 6 KITSAP - 4. The West Seattle Chess Club posted its first match win of the season by edging this one from the Kitsap club. The home Kitsap team led after the first round by a 3 - 0 score, losing a single game on board five, and yielding a pair of draws on the top two boards. The second round saw the visitors boom back with four wins to take the match. PAT HICKEY continued his impressive first board record by taking a point and a half from NW master GENE SOBczyk. DR. JOHN ALMOND turned in the only perfect score of the match winning two from GORGE SOUTERS. This brings his season record to 5 - 1, and gives him the league third board lead.

UNIV. OF WASH. - 7½ TACOMA - 1½. Tacoma C. C. team captain, DAVE FULTON writes: "The Grannis - Fulton game lasted four hours and about 75 moves. I won on time in a book drawn position. (Lucky me!) So the second game was not played."

Besides Fulton's win from Grannis, the only other dent the Tacoma team could make in the league leaders was DAVE HAUGEN'S 1st round draw with JOHN WALKER on board five. In posting a perfect 2 - 0 over ERNST RASMUSSEN, KENT PULLEN lengthened his lead in league first board competition, bringing his season total to an impressive 7 wins and a single defeat.

5. John Walker	- 1½	½	Dave Haugen

SEATTLE C. C. - 7½ BELLINGHAM - 2½. The Seattle Chess Club compiled their first victory of the season, defeating the Bellingham club by a substantial margin. Seattle was strengthened with the services of former state champion Viesturs Seglins on first board.

Only DAN CHIN of the visiting team could post a plus score for Bellingham, picking up a point and a half from NORMAN A RAHAMSON. Seglins posted a perfect 2 - 0 on first board against WILLIAM BLACKMORE, and on board three FRANK ALEXANDRO posted the only other perfect result of the match, taking both games from PETER HASHISAKI.

SEATTLE C.C. 7½ - 2½ BELLINGHAM C. C.

1. Viesturs Seglins	- 2	0	William Blackmore
2. Norm Abrahamson	- ½	1½	Dan Chin
3. Frank Alexandro	- 2	0	Peter Hashisaki
4. Svend Monrad	- 1½	½	Bruce McLeod
5. Boyd Halther	- 1½	½	Myron Miller

BOEING C.C. - 5½ GOLDEN HORDE - 4½. Both teams brought some of their power out of mothballs for this match, ANDY SCHOENE, for the Boeing club, and JOHN BRALEY for the Golden Horde. Boeing took an early lead in the match and was never headed. At one point the home club lead 5 - 2, but an end game swindle by KAJANOFF, and grind-em-out win for DICK PARSONS over AL CLARK closed the gap to 5 - 4. In the remaining game on 5th board ARNOLD RUDZITIS found himself the exchange ahead and veiwing the match situation, searched for and found a line to establish a solid "no play" draw, winning the match. This boosted Boeing to second spot, and dropped the Horde to third.

BOEING C. C. 5½ - 4½ GOLDEN HORDE

1. Andy Schoene	- 1	1	John Braley
2. Al Clark	- 1	1	Richard Parsons
3. Neil Harmon	- 0	2	George Kajanoff

THE SOUTHWEST CORNER: or I could simply cry  
by NORM STOUGH

I know Herman, I promised the results of the first round play in the new SW League would appear here this month, but circumstances got the better of me. The organizational meeting has been slowed up somewhat by mail crossing in transit, and some clubs not having had a chance to elect team captains. In addition to which, I lost Dennis Schave's address, so the whole Grays Harbor portion of this thing has been marking time for 3 weeks. In desperation I finally called the Hoquiam Police and had them send an officer around to ask Dennis to call me. (That must have scared a years growth out of him. Thought he was caught at last, he did.) Anyway, due to the proximity of the holidays, the first round won't be played until after the New Year's hangovers have worn off. There must be an easier way to find someone I can beat. Club news has started to filter in at last: The Twin Cities Club championship continues apace, with Howard Shelton, Steve Strand (last years winner), Bud Yeager, and Norm Stough remaining undefeated after 3 rounds. It was agreed when the tournament started that Howard would have to start working on an acceptance speech, while the rest of the club played for second place. One of these days we are going to import Jim McC. and give Howard some competition. Over in Grays Harbor plans are forming for the 1966 Grays Harbor open in March. The club members have taken on the job of door to door candy sales to raise money to help out the prize fund this year. Some of the money raised will go toward club clocks, and I feel this is a real sweet way to improve the finances of the club, if you will pardon the pun. The club also has numerous activities going on for the members, the most unusual being a solitaire chess competition. A large demonstration board has been constructed, and the moves are made on this as taken from the solitaire chess section of CHESS REVIEW. Club members write down their selection of the next move, which is then made, and scored. Winner gets a prize consisting of that week's portion of his dues being cancelled. The demonstration board is also used for classes in opening play and game analysis. With all this, the club leader is still maintained, with Ron Smith presently having top spot nailed down. It would seem that this club is one of the more active clubs around, one which certainly sets a good example for others. One of the sad, but true, facts of life is that a chess club without members willing to work toward improving the club is doomed to stagnation.

I have noticed a discussion starting to bloom in the pages of the NWOL in regards to the distribution of prize monies at tournaments, and would like to add a little fuel to the flame. Ken Dart has suggested a simultaneous by one of the players who is a good bet to take home the booty, and I feel this is one of the best suggestions made to date. There are many of us "fish" who pay our entrance fee knowing that we are merely donating to the prize fund, barring a sudden typhoid epidemic, and in return we receive the privilege of playing against some of these better players. The trouble with this attitude lies in the fact that with a swiss system, you may not get a chance to play any of them, which a simultaneous would make possible. I would like to see one or two of the experts or masters offer to do this. After all, if it weren't for us woodpushers these tournaments would be pretty lonely places. And with much smaller prizes as well. (Ed note. Kajanoff tells of a big tournament in Europe where any player entered can challenge any other player for skittles, and it is an unwritten law that the player must accept, George Kajanoff says he has played several Russian grandmasters in this manner.) Rather on the same order.

Corrections

Bruce McLeod and Tim Weeks should be in class B instead of Class C. Nikoley Manfred ---- 1788 - got Dick Schultz ----- 1990 missed

NOTE: In glancing over this listing we noticed that some players appear more than one time, either due to incorrect spelling or a different name form. Gerald Stiles and Daryl Delaney appear twice, Mrs. Chapin no less than three times. If you find a discrepancy of this nature, please report it to your ratings director.

Fred Howard has done a tremendous job in compiling this summary, as well as in his regular monthly, quarterly, and annual lists. We in the W.C.F., and I feel the entire northwest chess-population, are indebted to Mr. Howard for his immeasurable contribution.

MCCORMICK SIMULTANEOUS

McCormick tackled 13 opponents in a display at the Seattle Chess Club to raise funds for the Northwest Invitational Tournament. His score was rather good considering the opposition. He beat Mike Farkas, D. DeStasio, V. Pupols, R. Holzinger, J. Braley, T. Pitkan, R. Richards & J. Iwmen, drawing to G. Stiles, Larry Parr and losing to V. Gillis, J. Walker and B. Lundin. (A Black Bandit or Golden Horder of course!)

Greg Kern says the Portland Open for Feb is cancelled, but The Rose Festival Open is now being worked up for the weekend of June 11-12. He also sends along the list of other contributors to the N.W. Invitational fund.

Ken Dart - Fred Howard - Fred Byron -  
Danny Chin - Joe Yee - Norman Stough  
Gary Clayhold and Jeff Holmes.

We will be glad to acknowledge any contribution sent in even now. Send them to Gregory Kern 12903 N.E. Multnomah, Portland Ore. 97230

LYMAN JOHNSTON also posted a 6-1 score, but his loss to Fulton gave him a lower tie break count. Fulton's only loss was to ERNEST PRENTICE in the 5th rd. CARL CARLSON swept into 3rd place with a 5-2 record, losing only to Fulton and Johnston. Tournament directed by John R. Ward.

On Dec. 3rd Dave Fulton gave a 10 board simultaneous and was treated rather badly as he won 4 of 10. He lost the first four boards to Rasmussen, Carlson, Haugen and J. Ward, won the 5th & 6th from Pericich & Rosenbaum, lost 7th and 8th to Gruenstein and Bosse, and won 9th and 10th from B. Ward & Thompson. Ed Bosse won

J. LEONARD SHEETS who is well known to the chess players who have been around here for some time, and who won many chess titles in the period 1932-1954, has retired after 36 years service with the Postal Service. He was a paid up member of the Seattle Chess Club for many years even after he had stopped going. Lets hope that he will again return to active play now that he is freer.

A Portland Chess Tournament with a guaranteed prize fund of \$1,000.00!! is well under way for the probable dates of June 11 & 12th.

Schultz, our former editor, scored  $5\frac{1}{2}$ - $2\frac{1}{2}$  in the American Open, he has sent a game to be published next month. Schmitt scored  $6\frac{1}{2}$ .

#### BAY AREA C.C. DEFEATS GRACIOUS HOSTS !!!

The Gold Beach-Brookings C.C. hosted the Bay Area C.C. in a return match on Sat. Dec. 4th & were defeated  $1\frac{1}{2}$ - $10\frac{1}{2}$ . The match was held at the residence of Mr. Art Holmberg at Hunter's Creek, South of Gold Beach and a delicious dinner and refreshments were served between the first and second rounds by Mrs. Holmberg!

1 Jeff Holmes	0	Bob Gray	2
2 Art Holmberg	$\frac{1}{2}$	Ron Calhoun	$1\frac{1}{2}$
3 Dr. Wm. Le Boeuf	1	Ed Meyer	1
4 John Jensen	0	Dennis Jacob	2
5 Ed Strong	0	Boyd Carroll	2
6 Bruce Dodson	0	John Hoffman	2
	$1\frac{1}{2}$		$10\frac{1}{2}$

Plans are being made for a 3rd match between the two clubs. The 1st match resulted in an 8 to 4 victory for the Bay Area Chess Club.

Howard Weaver, Substitute Director, 501 W. Olympic Place  
Seattle 98119

Bob Merk had a set-back (with his heart condition) that got him back in the hospital Christmas week, so until further notice please address game reports and request new sections from Weaver at the address above. Bob has been a Champion at defeating adversity for the past twenty-two years, - an inspiration and a challenge to the rest of us who wonder if we would have what it takes, if at age 50 we were confronted with paralysis of the legs. Bob made a new life, took a correspondence course in accounting, built up a good business. For social activity he took over and increased the postal chess department of this magazine. He did so much other work we are only beginning to realize how much as the rest of us try to fill in for him, licking stamps, keeping up the mailing list, addressing each copy each month, printing the pages that he rolled out with a hand-crank mimeo. Pray for him, as he fights through a crises once more.

SLOWPOKES -- We are just as upset as you are when you write that so-and-so is slow to reply when the position looks bad for him. It is a quirk of human nature, a test of character, and a matter for philosophical contemplation. When pressed by long suffering players we forfeit out the pokey ones. We also keep a record of complaints to guide us in matching future sections. Some of us old-timers have become somewhat tolerant, in our own games. It is like the travelling salesman who was warned the poker game at the pool hall was crooked, but played anyway because "what can you do, it's the only game in town." Now that holiday diversions and school exams are over, postal chess promptness should improve. Most of our players can take it as well as dish it out, so keep on figuring out those 5-move combinations, and send them in for publication.

New sections are being formed. Entry fee of 50¢ can be inclosed as coins attached with scotch tape, or a \$1 bill will cover one section now and one later. Our sections are made up with four players who play two games with each of the other three. Rules and instructions are sent. Ratings are published monthly on a basis of 50 points for a win plus or minus 10% of the rating difference. If you are a new player please advise if you want to start in "A" with a rating of 1600, "B" with 1300, or "C" with 1000. We will try to match you with players of equal ability. Postal players have two days time limit to try their moves on the board, check publications and books for ideas, thereby gaining playing strength by producing the best chess of which they are capable.

Running wins 65C2 on tie-breaking points. P. Lamasney wins 64C4. Christey wins 64B4. These players are requested to advise us when they are ready for a free entry in a new section as prize
