COVER DRAWING By Jack Schrader of Salem, Ore.

Editor's Corner

How do you like the new look of "Northwest Chess"? Main complaints I have heard about July issue were "print to small", "no real cover", "no games", "stapled wrong". With this issue I have taken care of all but one of those, print to small. The small print comes from using photo offset printing. The size of the material typed by NWC staff is reduced but the darkness of the typed material is increased.

A number of players said they like the new look or atleast it was okay. WCF officers voted 7-1 to continue with offset. You may ask why change to offset printing, why not stick with old mimeograph method? With photo-offset the material is typed by the staff and then pasted up and layed out by me and given to the printer, camera ready. They give it back all folded and put together ready for stapling

and addressing. This cuts out cutting stencils running the stencils on the gestenter mimeograph (32 page issue 600 copies is 19,200 pages) then pating those 16 sheets of paper together and then stapling and addressing. Took 10 hours for two people to run the pages off and then 4 people about 3-4 hours to put them together and staple. We can have pictures which look like pictures and real good heading and diagrams are possible. The print maybe smaller but there is no back printing or pages that are to light to read or maybe blank on one side. Hope to make the layout of the magazine better with more and more practise at doing it. The paper used in July issue was better quality than we paid for. This August issue is probaly on the lower grade paper and I hope it turns out okay. If not we might have to go back to the old way.

Arnold Dubow told me at Seattle Open that his dog read last months issue and did not like what I said about him and wants a retraction. I looked up the meaning of "infamous" and that was a bit strong, so I retract the statement.

Korchnoi - Spassky

It will be Victor Korchnoi against Boris Spassky in finals of Candidates Matches. Korchnoi downed Mikhail Tal 5½-4½ while at last report I have Spassky was ahead of Bent Larsen 5-2. That score makes Spassky look like a sure winner to me. Korchnoi and Spassky will play a 16 game match starting sometime in August. Would assume it will be held in USSR maybe even Moscow. Then the winner will play a 24 game match with Tigran Petrosian with title of World Champion at stake.

GANONG Tops Seattle Open

Rick Ganong of Yachats, Oregon won his second Washington chess tournament in a row when he topped at 54 player field in Seattle Open. Rick was showing a postcard around the tournament, from USCF, showing his latest rating to be over 2200, good enough for masters rating. This is something Northwest Ratings has shown for sometime. He took home \$50.00 for his efforts. Terry Nelson picked up \$30.00 for his 2nd place finish in Professional Division. G.J. VanDeene was highest scoring player in Amateur Division. He won 60 merchandise credits and turned them in for a chess clock. Arnold Dubow, Gary Holmquist, Alf Overas, Mike Murray and Viesturs Seglins took home \$10.20 each for tying for third in Professional. Jonathan Berry took 2nd place Amateur Division while all Amateur

players scoring 3½-2½ won 10 merchandise credits. Don Kenney picked up 9 easily for being only unrated player. The event was held July 20-21 at Roosevelt Hotel in Seattle. Buz Eddy was tournament director. Time control was 45 in 2. This was the first tournament held under the newly devised Professional - Amateur setup for Washington Chess Federation events. It seems to work out okay. No more using tie-breaking points to decide trophies. Also the prizes for most events will be guaranteed. Once a player plays as a Professional he can not later play as an Amateur even if it is a one section event. Amateurs can move up to play as Professionals. Merchandise credits are good for things like chess books, clocks entry fees, trophies etc. BY MILLER

Nelson Wash. Jr. Champion

Milo Nelson of Seattle rather unexpectedly won 1968 Washington Junior. For the 1st time this event required USCF membership to play and drew the largest field ever. Nelson leads the pack

in the race for Northwest Junior Trophy given each year to Junior player scoring the most points in Washington Junior, Oregon Junior and Northwest Junior.

AUGUST 1948

International match was set for Stanley Park Pavilion in Vancouver, a 100 board turnout was hoped for. The Everett Club topped Whidbey Island Club 4½-3½. Lawrence Taro was top postal player.

AUGUST 1953

A three page report on 1953 U.S. Open by Dan Wade appeared. 182 players took part including Arthur Duke of Portland, Elmars Zemgalis and Eugene (Ted) Warner of Seattle. Duke finished with 8½-4½, Zemgalis 7-6 and Warner 8-5. A Zemgalis fund of about \$200.00 was contributed by WCF members to help pay for Zemgalis's trip to Milwaukee. Donald Byrne won with Max Pavay 2nd, plus Rossolimo, Sherwin, Horowitz. The marriage of Robert Stork, former WCL Editor, to Rodlyn Davis was written up. Tacoma C.C. was downed by McNeill Island Club 7½-2½. The top postal player was Greene followed by Mulford and Coubrough in a list of 50 players.

AUGUST 1958

Charles Hewitt won Pierce County Championship while Max Bader won Seattle Chess Club Championship. Rating list by Karch appeared with 285 players on it. Some of those listed who are still active are: Jim McCormick 2188, David Groenig 2096, Viktors Pupols 2130, Viesturs Seglins 2130, Don Elmes 1865, Clark Harmon 1901, Bob Holzinger 1915, Dick Vandenburg 1997, Dan Wade 1962, Dale Bjorson 1695, Eugene Cowan 1761, Pat Hickey 1788, Fred Howard 1660, Earl

RUSSELL'S CHESS CHATS

Rick Ganong reports that Jude Acers and John Blackstone tied for 1st in 4th of July event in San Francisco. They scored 6-1. Ganong scored 5½-1½ including a last round win over Clark Harmon. Harmon finished with 4½ while the other rider in Oregon car Mike Schemm got 4-3. 90 players took part. Robert J. Fischer won the tournament in Netany, Israel with 11½-1½. He drew with Dan Yanofsky and Yau Kraidman plus Yosef Portot

According to "Illinois Chess Bulletin" Fischer is going to move to California and Pal Benko is going to be married shortly to his Hungarian sweetheart.

The semi-final Candidates Matches have started and I hope to have some results later on in this column. Mikhail Tal and Victor Korchnoi started their match in Moscow on June 25th. It is said Tal's record in tournament play against Korchnoi is 5-5. Korchnoi has won 5 and 5 were drawn. Should be quite a match as will be the Bent Larsen-Boris Spassky match which started July 6th at Malmo, Sweden. Larsen feels he will be playing Tal in the Finals. P.H. Clarke in July BCM says, "Now he (Larsen) faces the mighty Spassky. To be a match for him Larsen will need to reach new heights and play the best chess of his life."

Robert Hubner won international event at Busum West Germany with 11 ahead of Gueorguy Tringov of Bulgaria 10½ followed by Hecht of West Germany, Hubner's homeland also, Atanas Kolarov of Bulgaria, Alberic O'Kelly of Belgium, Bruno Parma of Yugoslavia and Arturo Pomar of Spain at 9. There were 16 players.

Leonid Stein of USSR won an event at Keoskemet Hungary by 2½ points with 12 out of 15. Edward Gufeld of USSR was 2nd with 9½ then came Csom of Hungary with 9.

Hungary defeated a Yugoslav team 10½-9½. There has been another Bilek-Matulovic incident similar to the one at Soussie. There Matulovic made a move saw it lost so said j'adoube and took the losing move back. Now during Yugoslav-Hungary match this time "after having made the move and after having said j'adoube Matulovic was fortunate to discover that the move he made was illegal. Clearly, the Yugoslav grandmaster's technique is not what it was last year in Tunisia and this must be reckoned an uneconomic waste of a j'adoube," so reports Harry Golombek in July BCM. Would seem to me that Bilek would refuse to play Matulovic any more or at least have a tournament official watch every move of Matulovic's.

Grabożewski is new Polish Champion.

The list of entries for XVIIIth Chess Olympiad at Lugano, Switzerland October 17th - November 7th is: Andorra, Argentina, Australia, Austria, Belgium, Brazil, Bulgaria, Canada, Costa Rica, Cuba, Czechoslovakia, Denmark, England, Finland, France, East Germany, West Germany, Greece, Holland Hong Kong, Hungary, India, Iran, Ireland, Iceland Israel, Italy, Lebanon, Luxembourg, Morocco, Monaco Mongolia, New Zealand, Nicaragua, Norway, Paraguay Peru, Philippines, Poland, Puerto Rico, Portugal, Roumania, Scotland, Singapore, South Africa, Spain Sweden, Switzerland, Tunisia, Turkey, USSR, United States, Venezuela, and Yugoslavia. Nine countries who took part in Havana are not attending this year. 54 countries is a new record.

USSR Championship will be in January at Alma-Ata probably not a swiss system like the last. Jim Tarjan won 173 player Pacific Southwest Open with a perfect 7-0 score. Next were Felipe Galvez, Larry Remlinger and Tibor Weinberger 6-1. Richard Schultz, former Northwest player finished with 5½-1½, 4 wins and 3 draws taking home a small piece of 4th, 5th and expert prizes. He says, "I still prefer the Northwest style tournaments." Dick is now living in Los Angeles the site of Pacific Southwest Open. New Champion of Manhattan Chess Club is Arthur Bisquier finishing with a 10-2 score. Father William Lombardy was next with 9½-2½. Next came James Sherwin and Karl Burger 7-5. Julio Kaplan, World Junior Champion took 1st place in 100 player Puerto Rico Open on tie-break over Curt Brasket and Nicholas Rossolimo when all three finished with 6-1. At 5½-1½ were Donald Byrne and Larry Kaufmann plus L. Mayer. Arthur Bisquier finished with 5-2. Atlantic Open in New York City over 4th of July weekend drew 300 players in 4 sections. Donald Byrne won the Open Section with L. Day, Rossolimo and Bernard Zuckerman trailing.

Jude Acers

One of the most interesting visitors to Northwest, attending Strawberry Open was Jude Acers of Baton Rouge, La. Thought it would be in order to ask him a few questions. He wants to be worlds best player. No doubt we will be reading about him in other chess publications. Acers is 23 years old and starting playing chess when he was 13. He became a master at 17. He holds a degree in Russian History and Language from Louisiana State University. He has won 52 different chess tournaments in his career. He calls his play "fiercely aggressive". This summer he is on a nationwide chess tournament tour and Strawberry Open was one of the stops. Before Strawberry he had won 7 out of 9 events losing a couple of games to "fish" that kept him out of top spot in other two. He said, "Strawberry Open was a fantastic tournament and

Jerry Larkin was a super duper organizer." Acers holds a simultaneous play record of 114 games played and 114 games won. The event took place at Louisiana State Fair, put on by a radio station. Acers was quite surprised by the turn out. Took about 8½ hours to play the event. Acers had great respect for Larry Evans, "one of few complete Grandmasters in United States". He feels Spassky will win Candidates matches but will lose when he faces Petrosian. Acers plans to play in Hartford Open, Atlantic Open, New York Congress, U.S. Open and then World's Fair event at Houston, all this summer. He went to San Francisco right after Strawberry. While in Marysville he stayed with Baldwins and he wanted me to thank them in print, "for putting up with him for a week." Acers has promised to send some annotated games to Northwest Chess for printing.

White: Murray
Black: Sommers

1. P-K4 P-K4
2. N-KB3 N-KB3
3. B-B4 B-B4
4. P-B3 N-B3
5. P-Q4 PxP
6. PxP B-N5ch
7. B-Q2 NxKP?

Theory gives 7....BxBch 8. NxN P-Q4 with equality.

8. BxB NxN
9. BxPch KxB
10. Q-N3ch P-Q4
11. QxN

More accurate was 11. N-K5ch forcing Black's King to the third rank or to block the development of his Rook.

Comment by Murray: According to Dr. Krause, Black's position is superior after 11.N-K5ch,K-K3, 12.QxN,P-QB4. However, 11.N-K5ch is somewhat illogical since it (a) removes needed support from the queen-pawn and (b) places the knight where it depends on the queen's pawn for support. The text was recommended by Emmanuel Lasker, who judged White's position as superior after 11....,R-K1 12.O-O,K-N1.

11. R-K1
12. O-O Q-K2

I would prefer P-B3 followed by Q-N3 keeping White's Pawns under observation.

13. Q-N3 B-K3
14. N-B3 QR-Q1
15. N-K5ch K-N1
16. QR-Q1 K-R1
17. P-B3 N-N4?
18. P-B4 N-K5
19. P-B5 B-N1?

Black's 17th move cost him two tempi. He should have exchanged Knights; and on the 19th move the exchange is forced.

20. NxN PxN

King's Indian Defence

1. P-QB4 N-KB3
2. N-QB3 P-K4
3. P-KN3 P-KN3
4. B-N2 B-N2
5. N-B3 P-Q3
6. P-Q4 PxP

For the latest idea in this variation see pg. 162 in the May issue of Chess Life.

7. NxP O-O
8. O-O QN-Q2
9. P-K4 N-K4?

A strategical error; logical was P-QR4 followed by N-B4 and R-K1. Black must try to combat White's superior center control by active play for his pieces.

10. P-N3 B-Q2
11. P-KR3 N-B3
12. KN-K2

Since White has a spacial advantage he avoids exchanges.

12. P-QR3

The basic trouble with Black's game is that he cannot form a constructive plan; he advances his Queen-side Pawns but only ends up with structural weaknesses in his Pawn skeleton.

13. B-K3 R-N1
14. R-B1 P-QN4
15. PxP PxP
16. Q-Q2 Q-B1
17. K-R2 R-K1
18. P-B3 Q-R3
19. N-Q5 R-N2

If 19....NxN 20. PxN N-N5 21. RxP NxQP 22. QxN RxB 23. RxB and wins as Black has no time for RxN as White is threatening QxPch followed by mate.

20. NxNch BxN
21. N-B4 N-K2
22. R-QB2 P-N5
23. KR-QB1 P-B4
24. R-Q1 R-N3

Hastening his defeat but it would only be a matter of time as White can strengthen his position at his leisure and Black has no counter-play.

25. BxP PxP
26. QxB R-QB1
27. B-B1 Q-R1
28. B-B4 R-N2

6. B-K3 P-K4
7. KN-K2 P-B3
8. Q-Q2 PxP
9. NxP P-Q4
10. B-N5?

Probably best here is 10. KPXP PxP 11. O-O-O. It's not good policy to move a piece twice in the opening. The move played loses a Pawn.

10. PxKP
11. PxP NxP

A usefull intermezzo would have been 11....P-KR3 avoiding the pressure White manages to put on B6

12. NxN QxN
13. QxQ BxQ
14. O-O-O B-N2
14....B-K4 was better to answer an eventual N-B6ch with K-N2.
15. B-K2 B-K3
16. N-B6ch K-R1
16....BxN 17. BxB N-Q2 18. B-B3 would probably draw as Black's dark squares are so weak.
17. P-KR4 P-KR3
18. BxP??
Incomprehensible. The right move was P-R5 with an attack that should at least draw.

This variation is considered favorable for White.

9. P-B3 B-K2
10. B-K3

Usually White's Bishop is headed for KN5 in this opening but this has it's good points.

12. N-B5 BxN
13. PxP Q-Q2
14. P-KN4 Q-B3
15. P-N5 N-Q2
16. P-B4

16. N-Q5 is stronger as Black's King would be forced to move due to the threat of 17. Q-K4.

16. O-O-O
17. N-Q5 KR-K1
18. KR-K1 B-B1
19. P-B6!

Winning a pawn.

19. P-N3

If 19....PxP 20. PxP P-KR3 21. Q-R7.

20. Q-B1 R-K5
21. Q-R3 QR-K1
22. QxP N-N3

Aside from his slight lapse on move 16 the winner deserves great credit for the way he drove his advantage home.

ENDGAME ADVENTURE

Halle, West Germany, 1967

Kuyper-Petersen
White to play

Here is an interesting cliffhanger which occurred at Halle, Germany last year. It was recently discussed in Kashdan's column in the L.A. Times.

Have a go at it yourself before you read the solution! White saw he could stop the mate with 1 R-K6+ KxP; 2 R-N6 for if Black plays 2...RxR then 3 P-B8=Q+; and if 2...KxR then 3 R-N8 and again the pawn Queens.

But Black played 2...R-K1 threatening P-K7+. If 3 P-B8=Q+ then RxQ and White is helpless against the two advanced pawns. But White continued 3 R-K6! Now if 3...KxR; 4 R-N8 as before. If 3...RxR; 4 P-B8=Q P-K7+; 5 K-N2! P-K8=Q; 6 R-N5+ and now it is Black who is in trouble.

The game actually went 1 R-K6+ KxP; 2 R-KN6 R-K1; 3 R-K6 R-KN1; 4 R-KN6 and draw by repetition.

INTERNATIONAL RATINGS LIST.

Zaradic Tops B. C. Open

The following report on B.C. Open was given to Northwest Chess by Jonathan Berry while he was attending Seattle Open.

Surprise! Zaradic wins B.C. Open ahead of International Master Suttles. Bigger Surprise! Hill comes second. Due to the improvidence of our tournament director, who offered \$100.00 guaranteed first, the prizes were second \$0.00 third \$0.00 and fourth \$0.00. I suggest that we stop guaranteeing prizes.

The bug showdown came in round 5 when Zaradic played Suttles. The game was adjourned and played off after the last round. Then the big upset happened, Hill beat Suttles. Then the adjourned game was drawn with Suttles in terrible time trouble.

Wallace Wong won the "B" section.

Scores in "A" section:

Hill	-	4½-1½	Zuk	-	3 + 3

Club Notes

By Tim Kauppila

Willie Skubi is responsible for this column. He came to me recently and asked if I would do the job. I hope to bring the club out its semi-hibernation and make more use of the club's facilities. So here goes. . .

PROMISING JUNIOR

Milo Nelson, a member of the club and a senior at Cleveland HS, has shown rapid improvement in the past few months. He won the 1968 Washington Junior tournament with a 5½-½ score. He placed above such players as Jeff Fox, Pat Herbers, Dave Collyer, and Gene Fomin to name a few. Quite admirable. Keep your eyes on him in the future.

Seattle CC 5-MINUTE

Do you think that you're a pretty good 5-minute chess player? Well, good or not, now is your chance to test your skill in the 5-minute round robin tournament to be held at the club on August 16 at 8:00 pm. The winner will receive 50% of the entry fees plus a trophy for one month if he is a member. Best class prize is 30% of the entry fees. Make your plans now to attend. There will be an entry fee of \$1.00 for nonmembers and only 50¢ for members. If successful we will have more 5-minute tourneys. Bring clocks.

HIGH SCHOOL TOURNEY

I'm thinking of staging a high school tournament in September. It would be a Swiss System with about a \$2.00 entry fee. There would be awards for first A/B, first C, and first D/Unrated. A sort of warm-up for the coming high school chess season. If you like the idea or have some of your own tell me. Just leave a message or write a note to the club (3424 Fremont Ave N. Seattle WA),

WANTED: ONE SIMULTANEOUS DEMONSTRATOR

I am looking for someone who would like to give a simultaneous demonstration. If any good player reading this is interested please contact me. You would be paid most of the fees for your nights work.

CHESS CLUB HOURS

The club is open Tuesday, Thursday, and Friday. On each of these days the door is unlocked at 7:00pm. Visitors are always welcome. Promote and support chess in Seattle.

The Idaho Chess Assn. has in its possession some books and papers out of the late C.H. Stewart's estate. Mr. Stewart was the top Idaho player and promoter for many, many years and a friend of all that knew him. We are trying to sell some of these items to raise money for our "Idaho Chess Foundation", which was recently started. I would like to list the items here in case any of our readers are interested. You can see that many are quite old and collector's items.

I hate myself when I do things like this! You may think this problem is a "cooked" one but I assure you it is workable. My hint to you is that there is a catch in it but if I tell you any more than that, I'll end up giving you the answer. Mr. Kashdan only told his solvers "Black has an unusual set of pawns, and very few moves. Both points should be considered in looking for the key move!" So, you can see that I'm trying to be especially helpful! Rots of ruck.

We had quite a few solvers for No. 6. Those successful were: DUNCAN DAVIDSON (1), RICK GANONG (5), HARRY GLIDDEN (1), and JACK SCHRADER (4) (Oregon); STEVE HUNT (3) (Georgia!); DAN ROGERS (2) (Mont); JERRY WEIKEL (2) (Viet Nam); and HORTON THOMPSON (4), JIM ALBRECHT (4), J.D. MILLER (1), RICK HUBBELL (4), LARRY PRATT (1), J.B. WHITE (2), JOE HUBBELL (3), MEL HORMAN (6), RON JARMON (6), and J. LYMAN JOHNSON, JR. (2) (Wash.). Incorrect was RICHARD MURRAY (-1). The correct answer to No. 6 was ————— Q-R6!

Richter's Opening is not strong enough to merit this evasion. More usual here is 3...., B-B4, gaining at least equality according to most authorities. MCO-10 recommends 3...., P-KR3, while according to Trifunovich, best here is 3...., Qn-Q2 (Taimanov-Gligoric, 1965) After the text, White hardly has anything better than transposition into the French.

Evidently played to avoid the drawish 6.BxB, NxB; 7.BxQ, NxQ, and the ever-analyzed 7.Q-N4, QxB; 8.QxNP, Q-N5. Without going into this latter line, however, it is unlikely that White can accomplish much against the Tartakower. If he wants to try, his best chance is probably the old Forgaetz-Tartakower (1907) line 6.NxB, BxB; 7.NxB, QxN; 8.P-KN3.

White must counter the threat of 9...., PxP; 10.N-QN5, B-N5, but 9. PxP seems better than the text, which commits White to the unequal struggle of two knights versus two bishops.

A little trap: 17...., B-R6; 18.NxQP White perhaps thought that the same trap worked after Blacks next, overlooking that after 17...., Q-B6 18.NxQP?, PxN; 19.RxB, his QR is en prise.

- | | |
|----------|------|
| 22. R-N1 | PxP |

White evidently saw the above combination and thought to prevent it by protecting his knight, overlooking that the combination was still playable in a slightly modified form. Necessary was 23.BPxP, though needless to say, White would still have a poor game.

ANNUAL MEETING OREGON CHESS FEDERATION

This is the annual business meeting for the election of officers and any other business that you members may consider of value to our organization. It appears that all matters brought up during the 1967 meeting were completed with the exception of the matter of an organization charter. The charter will be a point of old business to be taken up at this meeting.

Some suggestions for discussion under new business: From Mr. Harmon: Method of qualifying to the State Championship. OCF position regarding exclusion from rating of non-OCF members. (See Mr. Olson's comment at the end of the July ratings.) Promotion of inter-area, within the state, matches.

From me: Should local clubs within the state be required to be OCF members. Should guide line rules be set up to try to formalize methods of tournament directing to more uniform procedures. Pairing and tie-breaker point variations as well as adjudications procedures seem to be worthy of consideration, excluding simple errors of course. Next year Oregon will have the right to name its own USCF directors. The method for accomplishing this should be set up at this meeting.

TACOMA NEWS

TACOMA WOODBUSTER'S CHIPS

NOW THAT THE EVERGREEN EMPIRE OPEN IS HISTORY, WE WISH TO THANK ALL YOU MEMBERS OF TCC WHO MADE THE SCENE. 17 CLUB MEMBERS ATTENDED WHICH IS REALLY A FINE TURNOUT CONSIDERING SUMMER VACATIONS ARE IN FULL SWING AND MANY WERE NOT AT HOME.

THOSE WHO DID NOT APPEAR AT THE 30 MINUTE TOURNAMENT JUNE 16, MAY BE INTERESTED TO KNOW THAT LOWELL JONES TOOK THAT EVENT WITH BILL WARD COMING IN SECOND. BOTH WON SUBSCRIPTIONS TO THE NEW "CHESS DIGEST" MAGAZINE.

THIS EVENT CLOSED OUT THE SEASON WHICH STARTED LAST OCTOBER, WITH THE TCC CHAMPIONSHIP WON BY VERNON HOLMES, WITH CARL CARLSON COMING IN SECOND. THEN, CAME THE PIERCE COUNTY CLOSED, WON BY LYMAN JOHNSTON. ERNST RASMUSSEN TOOK THE SECOND SPOT. AFTER THIS, ERNST RASMUSSEN AND CARL CARLSON, CAME IN FIRST AND SECOND RESPECTIVELY IN THE TACOMA SENIOR. GENE LINDE AND FORREST DIAL DID THE SAME IN THE TACOMA JUNIOR. FINALLY, IN THE KNOCKOUT, JOHN WARD TOOK FIRST PLACE WITH FORREST DIAL AS RUNNER UP. WE ARE PROUD OF THIS PROGRAM, AND HOPE TO IMPROVE ON IT IN THE FUTURE.

AS DIRECTOR, WE HERE WANT TO THANK ALL PARTICIPANTS IN THE ABOVE EVENTS FOR THEIR SPORTSMANSHIP AND COOPERATION IN MAKING THIS ONE OF THE FINEST YEARS EVER FOR THE TACOMA CHESS CLUB.

1968 TACOMA CHESS CLUB KNOCKOUT TOURNAMENT

WHILE BROWSING IN THE OFFICIAL CHESS HANDBOOK ONE DAY WE NOTICED THE SECTION ABOUT KNOCKOUT TOURNAMENTS, AND DECIDED TO TRY THIS UNUSUAL TYPE OF EVENT. IT CERTAINLY DID PRODUCE UNUSUAL RESULTS, BUT WAS INTERESTING AND FUN FOR THOSE INVOLVED. IN THE FIRST ROUND UPSETS WERE THE ORDER OF THE DAY.

JIM ALBRECHT DEFEATED AL CAMP
JOHN WARD WON OVER BILL WARD
FORREST DIAL UPSET VERNON HOLMES
LOWELL JONES UPSET CARL CARLSON
ERNEST PRENTICE BEAT EARL KNAPP
EDWARD BOSSE BOOTED RICK FEIST
DON SWEENEY SANK BOB MARTIN
LYMAN JOHNSTON UPSET C. R. HEWITT
JACK PICKHAM UPSET JOHN PERICIC

THE SECOND ROUND ALSO PRODUCED QUITE AN UPSET, YOUR WRITER HAS BEEN TRYING TO GET A TOURNAMENT WIN FROM LYMAN JOHNSTON FOR 8 YEARS AND FINALLY GOT LUCKY.

FORREST DIAL DUNKED JIM ALBRECHT
JOHN WARD UPSET LYMAN JOHNSTON
ERNEST PRENTICE BEAT LOWELL JONES
DON SWEENEY SANK ED BOSSE.
JACK PICKHAM DROPPED OUT.

THE SEMI FINAL ROUND WAS MARRIED BY A FORFEIT WIN, AND A DRAW WAS ALSO SCORED, THE FIRST IN THE TOURNAMENT. SINCE DRAWS ARE NOT ALLOWED, THEY MUST BE PLAYED OVER.

JOHN WARD WON BY FORFEIT OVER PRENTICE
FORREST DIAL DREW WITH DON SWEENEY
FORREST DIAL DROPPED SWEENEY

SO NOW THE FINALS. FORREST HAD ALREADY WON A SUBSCRIPTION TO CHESS DIGEST AS HIS JUNIOR PRIZE. IT LOOKED FOR A WHILE LIKE HE MIGHT TAKE IT ALL BUT-

JOHN WARD DEFEATED FORREST DIAL

AND TOOK HOME THE TROPHY. WE FEEL THIS WAS AN INTERESTING TOURNAMENT AND PLAN TO RUN ANOTHER ONE NEXT YEAR. PERHAPS DOUBLE ELIMINATION?

As some of you will note, we have done our semi-annual cleanup, and have taken several inactive players off the lists. If by chance, you have been cut off and are still active, by all means let me know and will reinstate you.

We have several new members, Les Cowan of Seattle, John Peters and Roy McCord both hail from Tacoma. Rod and Sunny Lou Espey from Portland also have rejoined.

The 1967 Washington-Oregon Postal Chess Match is now completed. Oregon emerged the winner by an 11½ to 6½ margin. Most of the Oregon score was made on the last 5 boards as Oregon outscored Washington on these, 8½ to 1½. Following are the completed results.

Washington		Oregon	
1. Oliver Morris	2	Jeff Holmes	0
2. Arthur Wick	0	Henrik Lundh	2
3. Zack Wester	2	R. D. Lundberg	0
4. Arnold Rudzitis	1	D. Waterman	1
5. Eino Moks	½	Barry Grant	1½
6. Otto Reddig	½	Mal Skarsten	1½
7. David R. McCord	0	Rodney Espey	2
8. Willi Skubi	0	Paul S. Becker	2
9. J. Emil Running	½	Harry Glidden	1½
Washington- - - - - 6½		Oregon - - - - 11½	

At this time we would like to put out feelers to Northwest Chess Clubs who might care to participate in a Northwest Club Postal league. Tentatively, one method of running this, would be to have each club play a knockout match, until a champion emerged. If only a few clubs participate, a round robin tourney might be in order. Let's have your ideas about this and see how many clubs might be interested in such an event. I think the entry fee should be free, and a traveling trophy could be presented each year.
